

HOUSING ASSISTANCE

RENTAL ASSISTANCE

Administered by the Family Resource Center

Tenant-Based Rental Assistance (TBRA)

TBRA provides deposit and long-term rental assistance for qualifying low-income households. The focus of this program is on building employment and financial stability to live independently.

Consolidated Homeless Grant (CHG)

CHG provides deposit, rent, arrears, and in some cases, utilities assistance. This is a short-term program and has case management available.

Emergency Rental Assistance

For households below a certain income level facing difficult circumstances or eviction, a one-month rental subsidy for full or partial amount is available.

Supportive Services for Veteran Families (SSVF)

This program provides short-term rental assistance and case management to veterans experiencing or at-risk of homelessness.

(360) 378-4474

Administered by County Health Department

Senior and Disabled Rental Subsidy

This subsidy is awarded to income-verifying property managers for their qualifying tenants. Long-term assistance for monthly rent.

Equity Loan Program for First Time Homebuyers

Provides a 30-year zero-interest loan for down payment on a home. Available to low-income island residents.

San Juan County Veterans Assistance

The Veterans Advisory Board provides assistance for transportation, clothing food, or rent. Applications can be found at sanjuanco.com

Housing and Recovery Through Peer Supports (HARPs)

Provides one-time assistance with rent or deposit costs for Compass Health clients that meet certain criteria. For more information, contact Compass Health.

520 Spring Street; (360)378-2669

UTILITIES ASSISTANCE

OPALCO Programs

Project PAL:

Funded by fellow OPALCO members, this program offers one-time assistance with one-month's energy bill. This program is available to seniors, disabled individuals, and low-income households.

Energy Assist Program:

This program provides a monthly bill credit to OPALCO members that qualify for any other low-income household program.

Qualified households may participate in both programs. <https://www.opalco.com/>

Low-Income Home Energy Assistance Program (LIHEAP)

Provides assistance to low-income households for long-term household energy and efficiency needs. This program also provides weatherization for some households.

Emergency Utilities Assistance

The Family Resource Center provides one-time utilities assistance for households that have received warning of a utility shutoff.
